Non-use of Natural Latex Declaration

We hereby certify that the product(s) listed above do not contain natural rubber latex in their formulation or manufacturing process. No natural latex, latex-based additives, or derivatives are used in the production, assembly, or packaging of these product(s).

This declaration is made based on the information provided by our suppliers, material data sheets, and internal quality assurance procedures.

Should you have any questions or require further documentation, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Enrique Vasquez". The signature is fluid and cursive, with a large initial "E" and "V".
