EU POP / PFOA Declaration RELAY Products

Coto Technology as a supplier of electronic components and Industrial Control equipment, has been aware of the responsibilities for protecting the environment and human health.

We have always tracked the update of prohibited substances and restricted substances listed in the POPs Regulation. Based on the verified information, we announce, to our best knowledge, our products are in compliance with the POPs Regulation and do not contain substances subject to prohibitions listed in Persistent Organic Pollutant (EU POP) regulation (EU) 2019/1021 as updated on 9 December 2022, including, but not limited to, all PFOA and PFOS restrictions listed in Annex I, Part A of the regulation.. We continue to follow the update of the POPs regulation and ensure the conformity of our Products.

A handwritten signature in black ink, appearing to read "Enrique Vasquez", is positioned above a horizontal line.
